

Bug Kidz Insect Show

A delightful and fascinating journey into the world of Australian insects

Entertain - Amaze and fascinate the children with this interactive, theatrical show. The Bug Kidz Insect Show is musical and set against a large colourful backdrop to imitate a garden scene. The children can develop an understanding about the important role insects play in the garden, their environmental significance, lifecycles, and how to stay safe whilst being outdoors.

An educational storyline and a cast of puppets, taking you on a fun fact filled expedition into the intriguing world of these amazing Australian creatures!

After the performance there is an information session which incorporates live and displayed insects. The children are offered an opportunity to observe or interact with some of the amazing gentle stick insects. Great photo opportunities and every child takes home a certificate. The Bug Kidz Insect show is captivating and exciting, engaging for children of all ages.
